Payment of Funeral Account

We respectfully request that a deposit is paid to us prior to the funeral. You may, should you wish, choose to pay the full funeral account in advance. The deposit we require is 50% of the total Funeral Director's Charges plus 100% of the costs for Disbursements (third party fees) and 100% of Other Products & Services you have chosen.

Please Note: Payment is due within 28 days of the date of invoice. If the account remains unpaid after this date, we reserve the right to charge a fee in order to cover our administration costs for the recovery of any debt. Interest may also be charged to your account on any remaining balance.

There is no need to wait for probate. If sufficient funds are available, settlement can usually be made directly from the deceased's bank account without having to wait for probate to be completed. Please inform us if you intend to claim assistance for funeral expenses from the Social Fund (DWP). These payments are a contribution towards costs and will not cover the entire cost of the funeral so there will be a balance to be paid by you. The rules for eligibility are complex and we suggest that you speak with your Funeral Arranger or your local Department for Work and Pensions (DWP) office for advice. In the event of an unsuccessful claim, payment of the full amount of the funeral account will be your responsibility. We accept payment by most major Debit or Credit Cards*, Online Bank Transfer, BACS, Cash or Cheque. Please ask your Funeral Arranger for details.

*Excluding American Express and Diners Club International.
